

American Financial Group, Inc. Increases Annual Common Stock Dividend by 12.7%; Nineteenth Consecutive Year of Dividend Increases

August 20, 2024

CINCINNATI--(BUSINESS WIRE)--Aug. 20, 2024-- American Financial Group, Inc. (NYSE: AFG) announced that its Board of Directors approved an increase in the Company's regular annual dividend to \$3.20 from \$2.84 per share of common stock. The increased dividend, when declared, will be paid on a quarterly basis of \$0.80 per share of common stock beginning in October 2024. The new dividend rate is a 12.7% increase over the declared rate. This is the Company's nineteenth consecutive year of dividend increases. The ten-year compound annual growth rate in AFG's regular annual dividends paid is 12.4%.

Carl H. Lindner III and S. Craig Lindner, AFG's Co-Chief Executive Officers, issued this statement: "Returning excess capital to shareholders in the form of dividends is an important and effective component of AFG's capital management strategy. This increase in AFG's annual dividend reflects our confidence in the Company's financial condition, liquidity, and prospects for long-term growth."

About American Financial Group, Inc.

American Financial Group is an insurance holding company, based in Cincinnati, Ohio. Through the operations of Great American Insurance Group, AFG is engaged primarily in property and casualty insurance, focusing on specialized commercial products for businesses. Great American Insurance Group's roots go back to 1872 with the founding of its flagship company, Great American Insurance Company.

Forward Looking Statements

This press release, and any related oral statements, contains certain statements that may be deemed to be "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements in this press release not dealing with historical results are forward-looking and are based on estimates, assumptions, and projections. Examples of such forward-looking statements include statements relating to: the Company's expectations concerning market and other conditions and their effect on future premiums, revenues, earnings, investment activities and the amount and timing of share repurchases or special dividends; recoverability of asset values; expected losses and the adequacy of reserves for asbestos, environmental pollution and mass tort claims; rate changes; and improved loss experience.

Actual results and/or financial condition could differ materially from those contained in or implied by such forward-looking statements for a variety of reasons including, but not limited to: the risks and uncertainties AFG describes in the "Risk Factors" section of its most recent Annual Report on Form 10-K, as updated by its other reports filed with the Securities and Exchange Commission; changes in financial, political and economic conditions, including changes in interest and inflation rates, currency fluctuations and extended economic recessions or expansions in the U.S. and/or abroad; performance of securities markets; new legislation or declines in credit quality or credit ratings that could have a material impact on the valuation of securities in AFG's investment portfolio; the availability of capital; changes in insurance law or regulation, including changes in statutory accounting rules, including modifications to capital requirements; changes in the legal environment affecting AFG or its customers; tax law and accounting changes; levels of natural catastrophes and severe weather, terrorist activities (including any nuclear, biological, chemical or radiological events), incidents of war or losses resulting from pandemics, civil unrest and other major losses; disruption caused by cyber-attacks or other technology breaches or failures by AFG or its business partners and service providers, which could negatively impact AFG's business and/or expose AFG to litigation; development of insurance loss reserves and establishment of other reserves, particularly with respect to amounts associated with asbestos and environmental claims; availability of reinsurance and ability of reinsurers to pay their obligations; competitive pressures; the ability to obtain adequate rates and policy terms; changes in AFG's credit ratings or the financial strength ratings assigned by major ratings agencies to AFG's operating subsidiaries; the impact of the conditions in the international financial markets and the global economy relating to AFG's international operations; and effects on AFG's reputation, including as a result of environmental, social and governance matters.

The forward-looking statements herein are made only as of the date of this press release. The Company assumes no obligation to publicly update any forward-looking statements.
