CALCULATION OF FILING FEE

Transaction Valuation*	Amount Of Filing Fee**
\$285,637,980.00	\$36,970.18

* Estimated for purposes of calculating the amount of the filing fee only. The calculation assumes the purchase of all outstanding shares of common stock, par value \$0.01 per share (the "Shares"), of National Interstate Corporation, an Ohio corporation, other than Shares owned by American Financial Group, Inc. ("AFG") and its subsidiaries, at a purchase price of \$30.00 per Share, net to the seller in cash. As of October 30, 2013, there were 19,721,266 Shares outstanding, of which 10,200,000 Shares are owned by subsidiaries of AFG. As a result, this calculation assumes the purchase of 9,521,266 Shares.

** The amount of the filing fee is calculated in accordance with Rule 0-11 of the Securities Exchange Act of 1934, as amended, by multiplying the transaction value by \$0.0001288.

INTRODUCTION

This Amendment No. 3 amends and supplements the Tender Offer Statement filed on Schedule TO (this “Schedule TO”) which relates to the tender offer by Great American Insurance Company (“**Purchaser**”), an Ohio corporation and a wholly-owned subsidiary of American Financial Group, Inc., an Ohio corporation (“**AFG**”) to purchase all the outstanding shares of common stock, par value \$0.01 per share (the “**Shares**”), of National Interstate Corporation, an Ohio corporation (“**National Interstate**”), other than Shares owned by Purchaser, at a purchase price of \$30.00 per Share, net to the seller in cash, without interest and less any applicable withholding of taxes, upon the terms and subject to the conditions set forth in the Amended and Restated Offer to Purchase, dated February 21, 2014 (as may be amended or supplemented from time to time, the “**Offer to Purchase**”), a copy of which is attached to this Schedule TO as Exhibit (a)(1)(vii), and the related Amended and Restated Letter of Transmittal (as may be amended or supplemented from time to time, the “**Letter of Transmittal**”), a copy of which is attached to this Schedule TO as Exhibit (a)(1)(viii) (which, as amended or supplemented from time to time, together constitute the “**Offer**”).

The information in the Offer to Purchase, including all schedules and annexes thereto, is hereby expressly incorporated herein by reference in response to all the items of this Schedule TO, including, without limitation, all of the information required by Schedule 13E-3 that is not included in or covered by the items in Schedule TO, and is supplemented by the information specifically provided herein. For reference, the Offer to Purchase is amended and restated as follows:

Item 11. Additional Information.

Section (a)(5) of Item 11 of the Schedule TO is hereby amended and supplemented to include the following:

The first bulleted paragraph on page 14 is hereby amended and replaced with the following: “a tender offer followed by a second step merger is a means for a majority shareholder to acquire all shares of a subsidiary;”

The following paragraphs replace the first full paragraph on page 10 under “Special Factors—1. Background” and the third full paragraph on page 42 under “The Offer—Section 13. Certain Legal Matters; Regulatory Approvals” of the Offer to Purchase”:

“On February 11, 2014, a putative shareholder derivative and class action lawsuit captioned *Robert Bernatchez vs. American Financial Group, Inc., et al.*, No. A-1400806 was filed by a purported stockholder of National Interstate in the Court of Common Pleas of Hamilton County, Ohio (the “**Bernatchez Action**”). The complaint filed in the Bernatchez Action names AFG and Purchaser as defendants and National Interstate as nominal defendant. The complaint alleges that the Offer is coercive because AFG and Purchaser could cash out the National Interstate shareholders who do not tender their shares in the Offer at a lower price than the Offer Price and because there is a limited amount of time for National Interstate’s shareholders to make a decision with respect to the Offer. The complaint also alleges that the process undertaken by National Interstate’s board of directors involved conflicts of interest and that the Offer Price is unfair to National Interstate’s shareholders. The complaint seeks compensatory and rescissory damages and unspecified injunctive relief. On February 23, 2014, the plaintiff in the Bernatchez Action filed an amended complaint naming the following directors of National Interstate as individual defendants and asserting breach of fiduciary duty claims against them: Joseph E. (Jeff) Consolino; Gary J. Gruber; Keith A. Jensen; Donald D. Larson; David W. Michelson; and Vito C. Peraino. The amended complaint also alleges that the Schedule 14D-9 filed by National Interstate on February 19, 2014 failed to disclose certain material information regarding the offer. AFG and Purchaser have reviewed the allegations contained in the complaint filed in the Bernatchez Action and believe they are without merit. AFG and Purchaser intend to defend the Bernatchez Action vigorously.”

The following paragraphs replace the third paragraph on page 11 under “Special Factors—1. Background” and the fourth full paragraph on page 42 under “The Offer—Section 13. Certain Legal Matters; Regulatory Approvals” of the Offer to Purchase”:

“On February 18, 2014, a putative shareholder derivative and class action lawsuit captioned *Cambridge Retirement System vs. American Financial Group, Inc., et al.*, No. CV-2014-02-0819 was filed by a purported stockholder of National Interstate in the Court of Common Pleas of Summit County, Ohio (the “**Cambridge Action**”). The complaint filed in the Cambridge Action names AFG and Purchaser as defendants and National Interstate as nominal defendant. The complaint also names as defendants directors of the National Interstate board of directors who are executives or former executives of AFG and/or Purchaser (the “**Defendant Directors**”). The complaint asserts class action and derivative claims against AFG and the Purchaser for breach of fiduciary duty and aiding and abetting a breach of fiduciary duty by the Defendant Directors. It also asserts class and derivative claims against the Defendant Directors for breach of the fiduciary duties of due care, good faith, candor and loyalty. In general, the complaint in the Cambridge Action alleges that the tender offer is unfair and coercive, is unfairly priced even at the revised price of \$30 per share and that, due to alleged conflicts of interest, Defendants have refused requests to form an independent special committee to review the offer and make a recommendation to the National Interstate shareholders. The complaint seeks compensatory and rescissory damages and unspecified injunctive relief.

On February 21, 2014, plaintiffs in the Cambridge Action filed a verified amended derivative and class action complaint for injunctive and other relief and a memorandum of law in support of motion for temporary restraining order (the “**Cambridge TRO**”) petitioning the court for a temporary restraining order prohibiting the defendants named in the Cambridge action from taking any steps toward consummation of the Offer. The court has scheduled a hearing on the Cambridge TRO for February 25, 2014. AFG and Purchaser intend to defend the Cambridge Action vigorously.”
